Disclaimer: Performance data and other information contained herein are unaudited. Past performance is no guarantee for future return and is not necessarily an indicator of future performance. The value of units can go up as well as down due to market conditions and economic, political and other factors and the investor may recover lower amount than that invested. It is possible that the assets of the Fund denominated in foreign currencies be exposed to fluctuations in the value of the units against the currency of the Fund. Some statements included express opinions that should not be construed as a financial advice. The Articles of Association is available on www.nbk.com and www.nbkwealth.com and the most recent financial reports can be obtained through the Fund Manager. This Fact Sheet is intended only for informational and marketing purposes and does not seek to make any recommendation to investors. The Fund Manager indicates that no

Objective and Strategy

The Fund will seek long-term capital appreciation by investing primarily in Kuwait domiciled listed equities. From time to time, and not ordinarily exceeding 20% of the NAV of the Fund, the investment manager may choose to invest in non-Kuwaiti stocks that he deems to have significant exposure to the Kuwaiti economy. To help measure the success of the Fund, its performance will be measured against S&P Kuwait Custom Index.

Team

NBK Wealth has been managing MENA equity investments on behalf of clients for over 15 years. The fund management team has a long track record and consists of seasoned investment professionals with a combined experience exceeding 60 years. The teams' in-depth knowledge of the local and regional markets, strong research capabilities, and disciplined investment strategy enabled it to be among the top asset managers in Kuwait and the MENA region.
