The New Electronic Cheque Clearing System

NBK is implementing the Electronic Cheque Clearing System between banks in Kuwait to provide you with the most efficient, time-saving and convenient banking experience. Moreover, the new system is simple and secure to offer you the utmost safety and peace of mind at all times.

The Process of the New Electronic Cheque Clearing System*:

- Clearing of cheques will be done within 1 business day
- All local banks' cheques will be scanned and processed using the new electronic clearing system
- In order to process your cheques without any rejections, please ensure you have sufficient funds in your account
- If your cheque book has been issued before 2010, please contact NBK to arrange for a new one to be issued
- Any cheques not meeting the size and security features as stipulated by the Central Bank of Kuwait will not be processed using the Electronic Clearing System

*Applicable to KD cheques only

The new system is simple and secure
to offer you the utmost safety
and peace of mind at all

times

The Benefits of the New Electronic Cheque Clearing System:

- Simplified process with additional time-saving functionalities
